

The Cornerstone Society

Cornerstone Society members, those who donate \$1,000 or more annually, enjoy many benefits with their commitment to top-quality television and radio programming for our community.

We support OPB because ...

“OPB is a community investment which produces rich cultural and educational rewards. Contributing as Cornerstone members allows us to act on our belief

that the spirit and educational mission of public broadcasting should be preserved.”

**Patricia and John Beckman
Cornerstone Society Members**
