

Thank a Member Day!

(We are thanking some of our most generous donors this afternoon
—OPB Partners and Cornerstone Society members.)

Instructions

Call the member listed on the call sheet. If the member does not answer, leave the message below.

Script (leaving a message):

Hi. This is (name), a volunteer from Oregon Public Broadcasting. We're celebrating members today and I'm calling just to say thank you for your generous support! We're so grateful for the investment you've made to ensure that OPB's independent programming and services are available to everyone in our region. Thanks again for your support! Goodbye.

If the member does answer:

(Wait for response from member.)

We want you to know how much we appreciate your investment in OPB's independent programming and services.

(Wait for response from member.)

Thanks again for supporting your station! Goodbye.

Write your name on the bottom of each call sheet that you complete. A staff member will collect the call sheets and prizes will be awarded! (You must be present to win.)

Feel free to make notes on the call sheets. If you encounter a wrong number, please make a note in the appropriate check box. If the member has questions or comments, please note those on the front (or back) of the call sheet. There will be Development office staff circulating the room if you have additional questions.

**THANK YOU for taking time out of your
day to thank the members of OPB!**
